Support for Gros Morne in Haiti

Since 2004 I have been travelling with groups of young adults to Gros Morne in the north of Haiti. Haiti remains one of the poorest and unluckiest countries in the world. Over the years in Gros Morne together with local we have built houses, schools, dams in the ravines to prevent flooding, provided food for children, supported teachers salaries and run summer camps for thousands of children.

This June some of our young parishioners will be part of a group heading to Gros Morne to run summer camps for 700 children and build houses. They pay all their own costs for travel and accommodation.

Next weekend, 10/11 June there will be a once off outdoor collection as they are fundraising for these projects.

Please give as generously as you can.

Fr. Tony

PRAYER BEFORE AN EXAM

Dear Lord, as I take this exam,

I thank you that my value is not based on my performance, but on your great love for me. Come into my heart so that we can walk through this time together. Help me, not only with this test, but with the many tests of life that are sure to come my way. As I take this exam, bring back to mind everything I have studied and be gracious with what I might have overlooked. Help Me to remain focused and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me.

Amen

Introduction to the Readings

First Reading Acts 2:1-11
This symbolic *tableau* gathers together many experiences of the outpouring of the Spirit. As we hear it, we open ourselves afresh to the same life-giving gift.

Second Reading 1 Corinthians 12:3-7, 12-13
Even today the wealth of talent within the community of faith is astounding. Sometimes, it leads to tensions and then we need to remember the teaching of this reading: it is the same God who is working in all of them.
